SENIOR PASTOR'S DESK

Happy New Month, welcome to the month of October.

**OCTOBER 2026 - OUR
MONTH OF BOUNTY
HARVEST**

**Amos 9:13; Leviticus 26:4;
Psalm 67:6**

FINANCIAL RESPONSIBILITY AND GRATITUDE

- Financial Integrity: Pay off financial debts immediately upon being blessed, and clear "debts of gratitude" by always saying thank you.
- Resilience: Treat tough times as temporary bends in the road rather than the end, and reject depression.
- Active Collaboration: Move past an authentic, "packaged" fake life to ask for help; miracles require you to collaborate with God using what you already have.

- **Problem Boundaries:** Classify challenges into things you can solve now, things you must grow to solve, and things you can never solve—then protect your peace accordingly.
- **Discreet Timing:** Respect your helpers' time by not turning your delays into their late-night or early-morning emergencies.
- **Proactive Health:** Address physical symptoms immediately and run medical tests early before issues escalate.
- **Continuous Growth:** Do not let other people's failures stop you from trying, and avoid complacency by constantly upgrading your capacity and education.
